

PARENT MANUAL

2026

Junior School

CALVARY
CHRISTIAN COLLEGE

centre
for **innovative**
learning design

Dear Parents and Carers

The 2026 Parent Manual has been prepared to support you and your child as you settle into the new school year at Calvary.

While we have made every effort to include key information about the College's procedures, policies, and calendar, please note that changes may occur from time to time. Any updates will be shared in our weekly communications.

Junior School Communications are uploaded to the College app and website each Thursday. These include important notices to keep you informed about what's happening at school. I encourage you to connect with staff, ask questions, and share your feedback. You are also warmly invited to attend our parent information sessions and other College activities listed below.

Parent Information Sessions

Throughout the year, we offer a variety of sessions for parents, covering topics such as school operations, cyber safety, puberty, and school readiness. Our counselling team also hosts additional sessions and courses, open to all families. Look out for session topics and dates on the school calendar and in communications.

Assembly and Chapel

Assembly and Chapel services run fortnightly on alternating weeks, and we welcome parents and family members to attend.

You are also encouraged to access the College website, Parent Lounge, and College Facebook sites where you will find current events and updated information: www.calvarycc.qld.edu.au

Your child's class teacher is always the first point of call and the best source of information. Should you wish to meet with a member of the leadership team below, please contact Reception.

Kim Winton	Deputy Principal, Junior School
Zoe O'Donnell	Head of Junior School Carbrook Campus
Andy Marshall	Head of Junior School Springwood Campus
Julie Kendrick	Head of Stage 3 (both campuses)
Kate Lane	Head of Stage 2 (both campuses)
Claire Turvey	Head of Prep/Stage 1 (both campuses)

Our College is blessed with dedicated and highly competent staff, and a supportive church and parent community, that you are very much a part of.

We trust your child will enjoy their time at Calvary Christian College and further develop the many special qualities which God has given them.

Yours in Christ

Cherylynn Gostelow
Principal/CEO

At both campuses, a Before and After School Care Program is provided by Uniting Education.

Hours: 6:30am – 8:30am and 3:00pm – 6:30pm

Enquiries regarding enrolment, costs, etc. may be directed to OSHC through the College office or by emailing Carbrook.OSHC@unitingeducation.com.au or Springwood.OSHC@unitingeducation.com.au

Vacation Care also operates during most school holidays and pupil free days. Additional information is available on the College website; <https://www.calvarycc.qld.edu.au/common-questions/oshc/>

3. PARKING

Early Years Centres: Kingdom Kids

Parents are not to park in bays reserved for specific staff members or Kingdom Kids Centre parents. These parking bays are required at all times. The Eastern Car Park at Carbrook and Oval Carpark at Springwood are set aside for Childcare, Executive and authorised College deliveries only.

Springwood Junior School:

Parking options for drop off and pick up are the Turning Circle (quick pick up and drop off only), and the carpark of Real Life Christian Church. There is some parking along Dennis Rd, please ensure you read road signage for no standing zones. Please refrain from using the Staff Carpark at all times.

Carbrook Junior School:

Parking options for drop off and pick up are Quick drop off/pick up (lane that runs adjacent to CCC building), and the Western carpark. Please refrain from using carparking with reserved signage.

4. STUDENT ABSENCES/LATE ARRIVALS/ TERM TIME HOLIDAYS

There is government and College expectation that students attend school days regularly with absences only occurring as a result of illness or for exceptional family reasons. If a student is regularly absent or consistently arrives late/leaves early, the College will contact the parents to discuss the reasons for this. Should the pattern of unexplained absences and/or late arrivals/early departures continue, parents will be requested to supply information and relevant documents to the Head of School.

Planned Extended Absence

Parents are required to email Administration and the classroom teacher when extended absence of more than 2 days is known. Families are encouraged not to schedule holidays during term time to avoid disrupting their child's education. In the event of a request for extended absence, parents should notify the Principal CEO.

Late Arrival

A student arriving after 8:35am must go to front reception where they will use their student ID card to sign in and obtain a receipt which they can hand to their teacher.

Part Day Leave

The student reports to the front reception and is to be signed out by the parent or guardian who is collecting the child from school. Students will need to have their student ID card ready to sign out.

Student Collection

The school will not permit students to leave school in the company of non-residential family members or friends, without written/emailed permission from the residential parent.

Whole Day Absence

Should an absence be unexpected, such as in the case of sudden illness, notification can be made via the College app. If no notification has been given, the College will contact the listed parent/caregiver via SMS.

Carbrook Campus 24hrs Absentee Phone No: (07) 3209 0003

Springwood Campus 24hrs Absentee Phone No: (07) 3209 0004

Email: info@calvarycc.qld.edu.au

Please ensure school records and contact information are kept up to date regarding family circumstances. It is essential we know if family circumstances, or custody arrangements change. Information will be kept strictly confidential.

5. UNIFORM

Please refer to the link below regarding changes to the uniform over the coming years;

Uniforms are compulsory and can be purchased from Calvary Christian College's online uniform shop. - Students may not wear colour in their hair except as in the Uniform Policy or unless the fundraiser stipulates this (E.g Crazy hair Day)
- Students may not wear make-up
- Shorts and skirts must be an acceptable length (just above the knee)
- No bare midriffs, low necklines, singlets or strappy tops or dresses
- Closed footwear

NOTE: Students who fail to comply with the dress standards will not be permitted to participate in Free Dress Day and their parents will be asked to either bring suitable clothing or collect them from school.

6. FORMATION OF CHARACTER AND FAITH

Teaching the whole child means authentically discipling students to understand that faith and character formation matter most. Faith and character formation, God's unfolding story, personal development including social and emotional wellbeing are embedded across all learning areas. They are also brought to life through Calvary's Formation program, community experiences such as Chapel and Assemblies, our cocurricular and camping programs, and a range of Student Development initiatives. In every space, we aim to grow young people who learn deeply, live purposefully and lead with heart. *(Please refer: Appendix B – Calvary Christian College Virtues)*

7. LEARNING HABITS FRAMEWORK

At Calvary, we believe that skills for life matter. Our Learning Habits Framework is at the heart of this belief, guiding students to grow as capable, confident and compassionate learners. Built on key work habits, cognitive skills and character dispositions, the framework supports students to develop curiosity, perseverance, collaboration, reflection and responsibility. It forms a continuum of skills that is embedded in every stage and continues to be relevant well beyond the classroom. These habits don't just shape a child's success at school; they build the mindset and skills our young people need to thrive in life. *(Please refer: Appendix A – Calvary Learning Habits Framework)*

8. LEARNING MODEL: STAGE NOT AGE

Our stage-based learning model provides flexibility for children to learn at their point of stretch; whether they are ready for extended learning or need to revisit areas they may have not yet grasped. Working in stages of 2 years provides students with a team of learning designers invested in personalising the learning experience of each child. We believe children grow in confidence when they see themselves as part of the learning community.

9. ASSESSMENT AND REPORTING

The College has high expectations for academic integrity and student participation and engagement in learning and assessment.

Students are expected to:

- Engage and invest in their learning
- Produce evidence of achievement that is authenticated as their own work
- Inform their class teacher if they have difficulties understanding or completing assessment items

Reporting occurs each Semester. Parent Teacher Interviews are offered before Semester 1 reports to discuss indicative progress, and after Semester 1 reports to discuss goals for the following Semester. Reports can be found via Parent Lounge.

10. BEHAVIOUR

A step-by-step process for communicating concerns can be found in the Responsible Behaviour Plan, Appendix A to this Parent Manual. We would also refer you to the Complaints Handling Policy on the College website.

➤ STUDENT ANTI-BULLYING POLICY

We would refer you to the College website for this policy. This can also be found on the Parent Portal.

➤ STUDENT RESPONSIBLE BEHAVIOUR PLAN

The Junior School Responsible Behaviour Plan can be found as an Appendix to this Parent Manual

11. BOOKLISTS

Booklists are issued at the end of each academic year, which detail the school stationery and textbook requirements for the following year. Booklists are available on-line using the link found on the College website. Booklist release dates and timeframe for online purchasing is sent out to families and outlined in weekly communications. Parents are welcome to source booklist items via our provider, Officeworks, or via other means.

12. BUSES

Calvary Christian College provides a bus service to its students in partnership with Express Coachlines, these services consist of an intercampus bus and suburban bus runs. (<https://calvarycc.qld.edu.au/parent-information>)

Students are expected to adhere to the Responsible Behaviour Plan expectations whilst travelling on the bus.

13. CALENDAR

The College Calendar is sent out at the beginning of the academic year and is available on the website. The 2026 term dates are listed at the back of this manual and included on the College website at www.calvarycc.qld.edu.au

14. CPA (Calvary Performing Arts)

15. CAMPS

Year 4 – Kindilan, Mount Cotton - 1 night

Year 5 – Luther Heights, Apex Camps, Coolum - 2 night camp

Year 6 – Canberra Trip - 3 night camp

16. CHANGE OF DETAILS

Keeping your contact information up to date is essential as the school may need to contact you urgently. If there are any changes to your address, contact details, children's medical details or any changes to family living arrangements, *please advise the College as soon as you are aware*. The Parent Lounge offers easy online access when changing your personal details. This is also accessible through the College app.

17. CHAPEL and ASSEMBLY

Parents and the community are welcome to attend our Chapel and Assembly Services.

We start the term with an Assembly and alternate between Assembly and Chapel on a weekly basis.

- Springwood – Wednesday 2:25pm – 3:00pm – Real Life Christian Church, Springwood
- Carbrook – Thursday 2:25pm – 3:00pm – Calvary Community Centre, Carbrook

18. CHILD PROTECTION POLICY

We refer you to the College website for this policy.

19. CLUBS AND SPORT

The College has a variety of extra-curricular clubs that you can encourage your child to join such as:

Junior School Clubs (varies across campuses)

- Choir
- JAG (Junior Ag Science)
- Debating and Public Speaking

- Dance, Drama, Theatre
- Fitness – running, skipping, basketball, futsal, volleyball
- Robotics/Coding Club, STEM Club
- Instrumental group Ensembles
- Maths Olympiad, Chess club
- AFL Auskick
- Missions Club
- Happy Hens

Where student interest exists, other clubs and sporting groups may be offered.

Sport Affiliation

Calvary has a strong sporting culture and is highly regarded as a successful Volleyball, Futsal and Netball school. The College encourages the physical health and development of our students offering Physical Education as a curriculum subject, development programs, interschool sporting programs for Stage 3.

Representative College Sport

Numerous opportunities are available to our students to be a part of representative sport at the College. Students may trial for places in District teams which provide pathways for the best to be selected at Regional, State and National levels in all Queensland School Sports.

For School Sports competitions our Springwood Campus is a part of the Logan District and the Metropolitan East Region, and our Carbrook Campus is part of the Pacific District and the South Coast Region.

20. COMMUNICATION

The College sends out weekly communications that are available on our website and contain important information about coming events and life at the College. Principal Communications are also available regularly in the same space and contain important information for parents. Please access both regularly. Essential information about College life will always be found in Junior School (Springwood and Carbrook) Communications, Principal Communications or directly emailed to parents.

21. CRITICAL INCIDENTS

During critical incidents, vital information will be communicated via email or SMS. We encourage parents to access information from this source as this will minimise congestion of the phone lines.

A step-by-step process for communicating concerns can be found in the Responsible Behaviour Plan, Appendix A to this Parent Manual. We would also refer you to the Complaints Handling Policy on the College website.

- **STUDENT ANTI-BULLYING POLICY**

We would refer you to the College website for this policy. This can also be found on the Parent Portal.

- **STUDENT RESPONSIBLE BEHAVIOUR PLAN**

The Junior School Responsible Behaviour Plan can be found as an Appendix to this Parent Manual

22. EMERGENCY PROCEDURES

Drills and evacuations are carried out each term. When an evacuation/lockdown is initiated, all parents and visitors must follow the direction of College staff and accompany staff and students to assemble in the designated areas. In the event of a lockdown or evacuation, parents will be requested not to enter the College property until given clearance by the College staff.

It is vital that all visitors to the College sign in and out at reception.

23. FACEBOOK

Other forums for enhancing parent engagement are through regular Facebook posts on the Stage groups and the Campus community groups.

Calvary Christian College Springwood Campus Community Group 2026

Calvary Christian College Carbrook Campus Community Group 2026

Calvary Christian College

24. FAMILY ARRANGEMENTS

The Head of School and Administration staff need to be informed of living arrangements regarding your child, especially if there are people who are not to have contact with a child. Copies of Court Orders, DVOs and parenting plans or agreements must be provided and will be kept on file. Confidentiality will be maintained at all times. The College is unable to take any action unless supported by a Court Order.

25. FEES

There is a financial partnership between the College, families, and government. The College is under a statutory obligation to ensure the financial viability of the College.

Tuition fees

Annual Tuition Fees are set by College Council and reviewed each year. Parents are reminded that they are contractually bound to pay all fees and levies by the due date. New families will be required to pay fees by direct debit. The College's preference for existing families is also direct debit.

If fees are paid in full at the commencement of the year, a discount is applicable. Any outstanding accounts will incur a late administration charge for each term the account is outstanding in the absence of a direct debit payment arrangement. The parent/guardian who signs the enrolment contract of a student will be responsible for the payment of school fees. This responsibility will remain regardless of any change in family arrangements.

Failure to settle accounts on time may result in additional charges and debt recovery action. *Parents experiencing difficulty in payment of fees must contact the Business office as soon as possible. A fee payment scheme may be negotiated.*

Building Fund

The income for the Building Fund is sourced from parent donations. Although the Building Fund is not compulsory, parents are encouraged to make a donation of \$500 annually. Any amount may be donated and all amounts over \$2 are tax deductible.

Notice of withdrawal of student

If a student is being withdrawn, the College requires **one full term's prior notice in writing** submitted via our official *Exit Form*. Failure to give this notice will mean the family will be required to pay the equivalent of one term's tuition fees.

Extra-curricular

Some sport competition fees, Performing Arts ensembles and extra-curricular activities will be charged separately through either your commercial account or our 'Events and Payments' section. These invoices are payable prior to the event date or due date specified. You will be notified of any extra-curricular that have a cost involved before your child participates.

26. FOOD

We aim to be a nut-free Junior School. Due to serious allergies in the community, we ask that you do not bring foods with nuts to school.

27. HAPPY HENS CAFÉ / TUCKSHOP – SPRINGWOOD CAMPUS

A student-led Café, Happy Hens, operates at Springwood Campus two mornings a week. Parents are welcome to come and enjoy a coffee and catch up with each other or as a family before the day begins.

Happy Hens Café is open Tuesday and Thursday mornings from 7:30am – 8:40am.

Tuckshop runs each Monday, Wednesday and Friday at first break. It is a volunteer – run tuckshop and parents/carers are always appreciated and welcome. You can order tuckshop for your child using My Student Account on the College website or app. Students can also order over the counter with cash at first break on days of operation.

28. HEALTH HUB

a. Medication / Ventolin / Epi-Pen

If your child requires medication to be administered at school, please obtain the on-line Medical Administration form from the office. The form needs to be completed by the parent and submitted to the office and the medication handed into the Health Hub in its original container with the original pharmaceutical label on the container. (Queensland Law and Schools Policy) These requirements apply to all medications, including Paracetamol and Ibuprofen. No medications will be provided by the College.

Asthma puffers/ medication should be administered by staff at the Health Hub.

NOTE: **ALL** students who suffer from Asthma, Diabetes and allergic reactions and require medication must complete the on-line Medical Administration form, available from the Health Hub, so all staff can be made aware of the treatment required.

Parents of students with action plans for allergies, Diabetes and / or Anaphylaxis etc. must ensure the office has a copy of the plan. This plan will be displayed for staff information.

b. Illness and Infectious Conditions

Students with contagious illnesses **must** be kept at home for the required time. Students with heavy colds and flu-like symptoms should also be kept at home. Students with head lice will be sent home and cannot return to the College until fully treated.

The Queensland Health Department makes recommendations for the minimum periods of exclusion from school: https://www.health.qld.gov.au/_data/assets/pdf_file/0022/426820/timeout_poster.pdf

c. Illness / Accident / Insurance

In the cases of an accident or sickness, parents will be phoned by office staff at the discretion of the First Aid Officer or School Nurse. When parents cannot be contacted, the student will be treated locally. Ambulance or medical attention can be sought without parental contact.

Please note that it is not possible to contact parents for every student who presents at Health Hub. If you are phoned by the College to collect your child, please note that this decision is not made lightly, and we would appreciate your prompt response.

On occasions when an injury is serious, staff, exercising their duty of care, will call an ambulance if they believe that this is warranted. Once this call has been made, the College will then notify the parents or emergency contacts.

Please be advised that once the ambulance has been called, the College will not revoke the request. The exception to this is the parent arriving before the ambulance and physically signing their child out of the College's supervision and into their own care.

All students are covered by 24-hour Accident Insurance. Please refer any inquiries to office staff if you incur expenses because your child has had an accident either in or out of school.

29. HOME LEARNING

Completion of Home Learning is an expectation as it promotes parent engagement and builds resilience and independence. Home Learning is designed to consolidate the learning taking place at school. In the Early Years it is an important opportunity for parents to engage in reading with their child.

Prep

- Home readers, home learning booklet and sight words upon development of readiness to read

Stage 1, 2 & 3

- Regular reading – home readers and reading for enjoyment
- Sight words (Stage 1) and spelling appropriate to individual learners
- Maths and other activities related to real life problem solving and application
- Stage 3 – more independent activities with set time frames mimicking high school assessment

Home Learning is regularly communicated by teachers. Please email your child's teacher if you have any questions around Home Learning. Home learning will be sent out on a Friday and will be due back the following Thursday. If your child can not complete their home learning, please email the teacher.

30. JUNIOR SCHOOL PARENT HELPERS AND VOLUNTEER

Parents and carers are invited to assist as volunteers, eg- in the canteen/café, at sporting events and in classrooms. The College requires all volunteers to register on an annual basis. Information about how to register is available on the Parent Orbit App and on our College Website, or contact the college reception team to assist. NB. Please contact the coordinator of the area in which you wish to volunteer prior to registering.

31. LOST PROPERTY

Springwood- Lost property is located in the Administration building.

Carbrook- Lost property is located in the walkway between the Gotfredsen and Ann-Doyle buildings.

Lost property is cleared out at the end of each term, unnamed items are either donated or disposed of.

32. MOBILE PHONES and SMART WATCHES (Devices)

Mobile phones, smart watches, and other internet-connected devices are NOT permitted in the Junior School. In special circumstances, students may bring a device to school only with prior approval. In these cases, parents/carers will be required to complete an authorisation form ([Link to Form](#)). Any approved device remains the responsibility of the student and must be signed in at the office upon arrival at school (from 8:15am). The device will be securely held at the office during the school day and may be collected at the end of the day (after 3:00pm).

Devices must remain in the student's bag until they are signed in at the office and must not be used on school grounds at any time.

Students who breach these expectations will have their device confiscated for a period of time and parents contacted.

33. PARENT LOUNGE

Calvary Christian College operates a parent portal called Parent Lounge. Access is via the College website www.calvarycc.qld.edu.au or app and parents are issued with specific log on details and instructions. If you require assistance with accessing Parent Lounge, please email info@calvarycc.qld.edu.au.

Academic reports are made available on the Parent Lounge.

In the Parent Lounge you are able to access:

- STUDENT DETAILS - allows you to view details about your students (including their attendance and current Specialist Timetable)
- SCHOOL CALENDAR - allows you to view upcoming College events

34. PARENT INFORMATION EVENINGS AND PARENT-TEACHER INTERVIEWS

- Start of year Parent Information Evening – Term 1
- Parent Teacher interviews – Term 1 and Term 3
- Learning Expos – throughout the year we have our Inquiry unit on display for families to enjoy

35. PARENT COMMUNICATION WITH TEACHERS

- We value a close partnership between parents and teachers
- Please use email or phone the college to contact teachers if you would like to arrange a meeting or share information pertaining to your child
- Please allow up to 48 hours for a response to emails
- Please do not contact our staff via social media or personal message
- All College related questions should be addressed via college communication channels such as email or college phone. e.g. info@calvarycc.qld.edu.au or spr.administration@calvarycc.qld.edu.au

36. PERMISSION FORMS

Most consent forms for events such as interschool sport, excursions and camps will be available on Parent Lounge.
Children cannot be taken on off campus excursions without parental permission.

37. PETS AND ANIMALS

Animals (including dogs) are prohibited from both campus grounds at all times due to Health and Safety Requirements. Pets may only be brought onto campuses in special circumstances, with permission.

38. PRIVACY POLICY

The College takes the privacy of all College, Parent and Student information very seriously. A copy of the College Privacy Policy is available on the College website. College staff respect the confidentiality of your family and your child. Any information which you share with us will remain confidential.

39. PROHIBITED ITEMS

Students should not bring in toys, collectable items, dangerous items – such as pocket knives or matches. Should a student arrive with such items, they will be confiscated, and parents notified. Please also refer to the section, Mobile Phones and Smart Watches, for information on devices at school.

40. REAL LIFE CHRISTIAN CHURCH AND COLLEGE COUNCIL

The College Council is the governing body and controlling authority of the College and is responsible to the Uniting Church of Queensland through Real Life Christian Church Council. The College also works under the authority of the South Moreton Presbytery and Queensland Synod of the Uniting Church.

The College Council consists of the Chairperson, the Principal, the Business Manager, Lead Pastor of Real Life Christian Church, Presbytery nominee, Synod nominee, other representatives appointed by Real Life Christian Church Council and community representatives.

The College Council and the Executive meet on a regular basis. Council sub-committees generally also meet monthly.

41. RELIEF TEACHERS

A list of registered Relief Teachers is used by the College. These teachers have been approved by the Head of School and on occasions will cover your child's class when the teacher is sick, attending professional development or on leave. We encourage you to welcome them into the College community. They carry the authority and duties of the teacher they replace.

42. SCHOOL REPORTS

The College issues student reports at the end of Term 2 and the end of Term 4. The mid year (Term 2) reports are released prior to Parent Teacher Interviews.

43. SUPERVISION

Outside of school supervision hours parents are responsible for the supervision of their children. This also includes Community Events and Co-curricular activities that may occur outside of school hours. For younger siblings parents are to adhere to the signage on playgrounds. All playgrounds and play equipment are not to be used outside of school time.

COLLEGE CALENDAR 2026

APPENDIX C

Responsible Behaviour Plan

JUNIOR SCHOOL RESPONSIBLE BEHAVIOUR PLAN

The following *Responsible Behaviour Plan* (RBP) is to be understood in the context of the type of community that we are creating at Calvary. We desire to be a community, built on the principles of Micah 6:8 'God has shown you what is good. So, what does he want from you? To act justly, to love mercy and to walk humbly with Him.'

Ultimately, we want our students to be people who;

Act Justly (be fair)

Love Mercy (be kind)

Walk Humbly (be my best self)

We want to be a community where:

- Mutual respect underpins every interaction.
- Compassion for others defines us.
- Self-control is exhibited for the benefit of all.
- Gracious engagement determines how we disagree.
- Courageously assisting those in need is customary.
- Striving for excellence is the norm.
- Effort is celebrated as the cornerstone of growth.
- The humility to learn instructs how we listen.
- Justice reigns and forgiveness brings peace.
- *Shalom* (wholeness) and *areté* (excellence) mingle and release life in its fullness.
- Joy overflows when we are together.
- Hope of better tomorrow's springs from our faith.

At Calvary, we firmly believe that:

- *no one has the right to disrupt anyone else's learning, and*
- *everyone has the right to feel safe.*

Our attached *Responsible Behaviour Plan* outlines the types of behaviours we do not tolerate in our community, the actions we will take to safeguard our community members, and the support we provide students to restore broken relationships. Our intention is always to support and instruct our students when they make poor choices and to walk alongside them to build men and women of strong character and faith. Our success in this journey is often hindered or helped by the willingness of individual students to grow and learn, and the level of support provided by parents and carers in partnering with us to help their child make better choices. Proverbs 22:6 tells us that if you 'train your children in the way they should go, then the values they learned from you will be with them for life'. Our hope is that a Calvary education equips our students to be courageous, compassionate, and discerning adults who make good choices that benefit themselves and society. To achieve this, we aim to deliver a holistic education as outlined in our maxim:

*Development of **curriculum content** matters*

*- **skills** development matters more*

*- but development of **character and faith** matters most!*

ISSUES AND CONCERNS¹

How to raise a concern or issue regarding your child's learning:

Step 1: Raise your concern with your child's teacher, (depending on your concern, the teacher may suggest a meeting). *If unresolved...*

Step 2: Raise your concern with the Head of Stage, (depending on the concern, the teacher may invite the school counsellor or Head of Student Growth). *If unresolved...*

Step 3: Raise the issue with the Head of School. If unsatisfied...

Step 4: Raise the issue with the Deputy Principal.

How to raise a welfare/behavioural concern or issue:

Step 1: Raise your concern with your child's teacher, (depending on the concern, the teacher may suggest setting up a meeting with the school counsellor, Head of Stage or Student Development Coordinator).

If unresolved...

Step 2: Raise the concern with the Head of School. *If unresolved ...*

Step 3: Raise the concern with the Deputy Principal. If unsatisfied...

Step 4: Raise the concern with the Principal and CEO.

Once you are in Stage 3, you or your parents can also raise a concern about another person's actions on Stymie (<https://stymie.com.au/>) which is an anonymous reporting system. The information from this system is provided to our Welfare Team. When raising any concern, you should provide the following:

- A thoughtful and calm overview of the situation/issue. Follow a who, what, where, when, how, why process.
- Provide names of witnesses who may have seen the issue.
- Provide any evidence of the issue you have (e.g. screenshots of texts, chats, etc.).

How we investigate an issue

We take all concerns and issues seriously. Led by our Head of School, we have a team who investigate the issues raised. We respond to all concerns based on the information and evidence that we have, weighing the context we are aware of and matching the evidence we can verify against our Responsible Behaviour Plan – Flowchart. For an incident, our usual processes involve gathering information and evidence, interviewing a range of witnesses, and considering previous behavioural/ social/emotional patterns. We can always communicate our decision and the actions we undertook to the specific parties involved in a behavioural matter, however, due to privacy laws we are restricted from sharing personal data about other students. We will always contact parents of all parties if an incident has occurred that is a major violation of another child's rights. We are always happy to meet with you to discuss concerns.

Please remember a school behavioural record is not a police record and the data is held confidentially by the College. When the College makes decisions or delivers consequences, it does so in the context of its behavioural and child safety policies, the enrolment contract, and information held by the College. A College decision is always based on a considered response as to whether the incident is in breach of our enrolment contract and policies, and it is the College's right to action breaches against its policies and enrolment contract.

¹ This section relates to raising a concern. If you have a serious grievance and would like to submit a formal complaint, the process for this is found in our Complaints Policy on College website.

BEHAVIOURAL TOOLS WE USE

Teacher Toolkit: strategies the teacher uses in class to maximise engagement in the lesson and divert low level distractions and behavioural issues. This includes positive reinforcement, zones of regulation – identifying the underlying feelings and personal needs.

Reminder Note – a physical note provided to students who have breached uniform policy after several reminders (hair, jewellery or uniform items).

Catchup – is a lunchtime session where students can voluntarily access a teacher for support with home learning. Students can be issued with a mandatory catchup session by a teacher if they have not completed core class or home learning. This is not detention – students may leave the catchup as soon as they have demonstrated that they have completed the required work.

Buddy class – utilisation of a set class for students to spend time reflecting/resetting when their behavioural choices are impacting their own or others' right to learn.

Reflection – using break time to reflect on behavioural choices – what better choices can we make moving forward? This is drawn up/documented and stored for reference.

Communication with Parents – should there be repeated behavioural concerns, teachers will notify parents who can reinforce College behavioural expectations at home as well. A severe breach of behaviour expectations may result in parents asking to collect their child.

Support or Behaviour Plan – a formal contract between parents, student and the Head of School, outlining achievable behavioural goals and additional support the College can offer to assist a child to meet these goals. This can be put in place for repeated patterns of behaviour that cause high functional impact to the class/playground environment or to themselves or others, when the usual response to inappropriate behavioural choices is not supporting a positive change. Counsellors and Chaplains may be involved to provide additional support.

Provisional Enrolment – is a contract between the College Principal, a student whose enrolment is at risk, and the student's parents/carers. It outlines a set of behavioural conditions that the student must meet for a set time period to keep their enrolment at Calvary.

Formal Warning – is a written warning that the requirements of the *Support Plan or Behaviour Plan* have been breached. Multiple or ongoing breaches of these plans will escalate the College's response.

GENERAL BEHAVIOURAL CONCERNS AND ISSUES

Disengagement from learning

It is a College expectation that students reasonably attempt to complete the classwork provided to them by their teachers during the lesson or within a reasonable timeframe. Refusing to engage in class lessons or an unwillingness to complete set classwork or home learning is not acceptable behaviour. When a student does not complete the required learning, they will be required to catch up during break time or at home, or parents may be contacted and asked to collect their child. Parents will be communicated with if there are ongoing concerns. Students requiring adjustments for learning are supported by our Student Development team.

Uniform and equipment

It is a College expectation that students attend school in the correct uniform every day, leave wearing the correct uniform every day, and model our uniform correctly to the wider public. A reminder / note will

be issued to students who aren't in the correct uniform and parents of students who are in incorrect uniform regularly will be notified via email with a request to rectify the uniform breach.

Vaping

As of 2023, Vaping products containing nicotine are illegal in Queensland without a prescription and are subject to the same laws as cigarette and tobacco products. It is illegal for a child in Queensland to have access to a vaping device. It is illegal to vape on school grounds in Queensland. Students caught vaping or in possession of vapes at the College are putting their enrolment at Calvary at risk.

BULLYING AND HARRASSMENT BEHAVIOURAL CONCERNS AND ISSUES

Bullying

At Calvary everyone has the right to feel safe and we have a zero-tolerance policy toward bullying. When the College becomes aware of a bullying issue it will always act on available evidence to ensure the safety of students. The College will review the incident, assess evidence and context to determine the level of harm that has occurred and then apply this to our RBP-Matrix to make a considered response/decision on consequences. The Australian Human Rights Commission defines 'bullying' as '*people repeatedly and intentionally use words or actions against someone or a group of people to cause distress and risk to their wellbeing.*' The College recognises four types of bullying: physical, verbal, social, and cyber.

Physical bullying may include: hitting, kicking, punching, shoving, spitting, tripping, breaking the person's things, making rude hand gestures, and physically intimidating someone.

Verbal bullying may include: teasing, name-calling, taunting, threatening comments, racist, sexist, and discriminatory remarks.

Social bullying may include: excluding someone on purpose, spreading rumours about someone, telling others to avoid being friends with someone, and embarrassing someone publicly on purpose

Cyber bullying may include: sending hurtful messages online, sharing embarrassing photos/videos of someone, spreading online gossip, excluding someone from online groups, creating fake accounts in someone's name, and impersonating someone online.

Bullying is not Friendship Fires:

- Single episodes of social rejection or dislike;
- Natural consequences of your actions (i.e. you were mean to someone and they don't want to be your friend)
- Single acts of nastiness or spite;
- Random acts of aggression or intimidation; or
- Mutual arguments, disagreements, or fights.

While the above does not count as bullying, any interaction of concern should be reported to the College.

Fighting and Play Fighting

All types of play fighting, fighting or physical violence are unacceptable at Calvary. Play fighting easily escalates to aggressive behaviour. Self-defence does not look like retaliating with fight moves (closed fists or kicks). Depending on the context, frequency and severity of the activity, students who engage in perceived or real physical aggression/violence may find themselves receiving a break time reflection, be sent home for the remainder of the day, receive a *Suspension*, a formal *Behavioural Plan* or other high level behavioural consequence, including putting their enrolment at risk. Parents will be contacted for any

major violation of any student's rights and the College may require a meeting with the family of the student/s.

Racism

Racism in all forms is discriminatory and prohibited at the College. Comments, jokes, or behaviours (both in person and online) that reinforce racial stereotypes are unacceptable as they cause significant harm to members of our community and make others feel unsafe. Repeated acts of racism will be treated as a high-level breach of the RBP.

Sexual Harassment

The Australian Human Rights Commission defines 'sexual harassment' as *'any unwanted or unwelcome sexual behaviour where a reasonable person would have anticipated the possibility that the person harassed would feel offended, humiliated, or intimidated. It has nothing to do with mutual attraction or consensual behaviour.'*

Examples of sexual harassment, may include:

- Staring, leering or unwelcome touching
- Suggestive comments or jokes or noises
- Intrusive questions about a person's private life or body
- Unnecessary familiarity, such as deliberately brushing up against a person
- Displaying or emailing pornography or rude jokes
- Communicating content of a sexual nature, often through social media or text

Report all concerns or incidents around sexual harassment to our Welfare team so they can ensure student safety and follow through on an appropriate course of action.

TECHNOLOGY SPECIFIC BEHAVIOURAL CONCERNS AND ISSUES

Gaming

Gaming is prohibited at school. Students and parents will be reminded each year of the College ICT user agreement with regards to ICT resources and online behaviour. It is becoming increasingly common for students to suffer from gaming addictions and we would strongly encourage any student struggling with an addiction to seek support from our counselling staff.

Mobile Phones

Mobile phones are to be kept at home unless required for students' safe arrival to school or home. Mobile phones are to be handed in to Health Hub/Reception at the beginning of the school day and can be collected at the end of the day. Students in possession of a mobile phone will be asked to hand it in to the College office immediately. The only exception to this rule is when a student may have a need for carrying a mobile device for medical purposes such as Diabetes, which will have an agreed plan between school and home. Mobile/digital devices are not permitted on school camps and excursions.

Online behaviours and social media

Usually, the most significant breaches of our RBP occur by students on their mobile devices outside of school hours. It is a College matter when poor behaviour occurs between Calvary students in an online environment. Problematic online behaviour, outside of the context of cyber bullying, can include: sexualised and vulgar online conversations between groups of students, sharing of images of others without their consent, aggressive and violent online conversations directed at others, sharing of inappropriate content, etc. Should evidence of these types of online interactions reach the College, we will review and provide consequences for these inappropriate behaviours. Parents will be informed.

Pornography

It is illegal for children in Queensland to access and view pornography. Viewing pornography on a College device is in breach of our IT agreement and will lead to the College limiting IT privileges and high-level behavioural consequence. Showing pornography to other students is a major violation of the rights of others and a high-level behavioural consequence will ensue. Pornography addiction is an increasing problem among youth and counselling is available for support.

Sexting

Sexting is sending nudes or images of oneself to another person. It is illegal to send, receive and view a 'sext' when any of the people involved are under the age of 18. The College also has mandatory reporting requirements in relation to different aspects of sexting. An act of *Image Based Abuse* (sending nudes or sexualised images of another person in the College without their consent) will lead to the immediate termination of the sender's enrolment.

BEHAVIOURAL CONCERNS ON CAMPS AND EXCURSIONS

The Responsible Behaviour Plan applies on and off campus to ensure the safety and wellbeing of all students. In situations off campus such as sporting competitions, excursion and camps, staff will follow the investigation process and refer to the levels of response as required.

Behaviour expectations will be communicated clearly to parents and students, particularly in camp situations.

We value working in partnership with our parents as we know this provides the greatest support to our students.
