

UNIFORM POLICY (Current 2025)

UNIFORM EXPECTATIONS

The College sets a high standard for uniform compliance. The uniform policy is agreed to at enrolment and is not negotiable. The enrolment contract states that parents and carers 'will provide all necessary uniforms, and 'will ensure that the student is sent to school dressed properly in the required uniform' (Section 1.2.4/5). Should there be a pattern of non-compliance with the uniform policy, parents/carers will be asked to collect students from the College and rectify the uniform issue before returning the student to the College. Uniform items in this document refer to College specific items bought through our uniform shop, not generic clothing types. The final decision about the acceptability of a student's dress standard, haircut, etc., rests with the Principal and/or her delegate.

UNIFORM CHANGE PROCESS 2024-2027

These are the expiry dates on previous uniform items. Please consult our online uniform shop for details.

UNIFORM – CONDITION

Uniform must be clean, neatly pressed, and kept in good condition or items will need to be replaced. Uniform that is ripped, torn, significantly faded, or has large and eye-catching stains/marks will need to be replaced. Students who purchase uniform in sizes obviously too small or too large will be asked to rectify this.

UNIFORM – WHEN TO WEAR

The Head of School/Head of Stage or Wellbeing Leader will produce a schedule for when to wear formal and sport uniforms. Students who don't abide by the schedule will be in breach of the uniform policy. A pattern of wearing the wrong uniform to school will be managed under the Responsible Behaviour Plan as a refusal to follow teacher direction. Students cannot mix and match formal and sports items. Formal items must only be worn with formal wear and sport items are only to be worn with sport wear. For a list of appropriate uniform items per stage, please consult our online uniform shop.
