

11 July 2024

College Group Photographs

Dear Parents and Carers,

College Group photos will take place on Thursday 25 July and Friday 26 July 2024.

Please see the attached schedule for our College group photos. Students are required to wear their normal uniform to and from school on these days, however, students should come prepared to change into the required uniform for the photo as indicated on the schedule attached (i.e., formal or sport uniform, soccer uniform etc.)

Please note:

- Junior photo groups are mostly on the Thursday (refer to schedule)
- Ensure that your child has the correct uniform, incorrectly attired or groomed students will not be photographed
- Photos will be **made available** for parents to purchase **after photo day**. A personalised order envelope/letter will be sent to each child who appears in these group photos. All photos for that particular child will be listed on their form. From this, parents can place their orders for any/all photos their child appears in.

If possible, please avoid student appointments on photo day as absent students are unable to be photographed or included.

We have spent some time working closely with our College Journal designer seeking to bring our community a reliable and worthwhile record of the year at Calvary. For some time group photographs have appeared in the Journal. Our preference is to represent the vibrancy of students engaged in their varied activities and the photo galleries represented in the Journal seek to do this.

Should you wish to own a group photo as a memento of your child's experience in 2024, please ensure you place an order through MSP. **Group photos will not appear in the College journal.**

Yours faithfully

Zoe O'Donnell
Acting Head of Junior School
