Dear Parents and Guardians,

Springwood Campus Group Photographs – Tuesday 8 September 2026

Springwood Campus group photographs will be taken on Tuesday 8 September 2026.

The photographs will include students in key leadership positions across Junior School and JAG. We will also provide students who enrolled at the College after our School Portrait Photo Day with an opportunity to have their professional school photograph taken.

Students participating in these photographs will be required to wear their full formal College uniform for all photographs. Please refer to the schedule for time slots.

Please note that students must be present at school on Tuesday 8 September to have their photograph taken, as there will be no alternative opportunity for individual photographs.

Photo envelopes will be sent home with students at a later date, once the photographs have been taken. This does not include individual photos of new or missing students from the first session. All photograph orders will be placed directly through MSP Photography.

Please ensure that your child has the correct full formal uniform ready for these photographs.

If you would like to purchase a group photograph as a special memento of your child's 2026 College experience, please ensure you place an order through MSP Photography.

Thank you for your support and cooperation.

Yours sincerely,

Mr Andy Marshall

Head of Junior School – Springwood
