learning design

The Calvary Sports Sponsorship Program is designed to bring businesses and the community together. Sponsorship will support upgrades to sporting equipment and sports facilities.

Calvary Sport operates within a vision of creating and providing opportunities for students to grow, develop and innovatively learn within the context of a vibrant, connected Christian Community from Prep to Year 12.

Calvary sporting programs are inclusive and enable our students to develop a range of skills and a lifelong interest and love of sport whilst developing core Christian values. We are indeed committed to the holistic growth of athletes so that they become 'champions of character'.
