

## Getting Started with Qustodio

Parents are invited to create a free Qustodio parent account to connect and manage their child's devices.

### Sign up here:

<https://auth.qustodio.com/en/my-school/>

Please ensure you use the email address registered with the College.

## Device Access and Installation

- Parents may install Qustodio on one personal smart device per enrolled student at no cost.
- Qustodio is already installed on College-issued student laptops, allowing parents to view laptop usage outside of school hours. This access applies to Middle and Senior School families.

### Step-by-step installation guides for personal devices are available at:
