

Church Insight Trip

Experience God's Church at work in the Philippines

See firsthand how our local church partners are serving their communities in the Philippines. You will meet and be encouraged by church leaders as well as visit local families in their homes.

On this trip you will travel to Manila and Iloilo City with small groups from like-minded Australian churches. Join us to see how local church members worship God in both word and deed by ensuring each child is known, loved, protected and released from poverty in Jesus' name.

"Your kingdom is an everlasting kingdom, and your dominion endures through all generations."

—Psalm 145:13 (NIV)
