Dear Parents and Carers

Zoe and I would like to welcome you to the beginning of a new school year. We hope you enjoyed the Christmas break, filled with precious family time, and that 2026 has had a positive start.

We look forward to getting to know our new families joining us in Prep and across all Stages. As we settle into the rhythm of the new school year, we trust that you will quickly experience the care, encouragement and strong sense of community that make our school such a special place. We are thankful for the opportunity to partner with you as we support each child to grow in learning, character, and faith.

In this communication, you will find important information regarding staffing, along with key dates and details to help you prepare for the year ahead. Tomorrow, you can also expect to receive an introductory email from your child's home teacher, who is looking forward to getting to know your child and working closely with you throughout the year.

We look forward to all that God has in store for us in 2026 and to walking alongside you in the year ahead.

These will be held back to back at 6:45pm and 7:20pm, so parents can attend multiple sessions if they choose.
